

June 2020

Thank you to all who prayed with us about finding a house to buy. The governor opened the possibility of looking at houses late in May and we found a place within a few days. This was a miracle as houses had offers almost immediately when they came on the market. The Lord had saved this house for us. It is not where we were looking but is where the Lord has put us. We can already see the advantages of being here in Albion.

Thank you so much to the great crew who came to help us move. Pastor Larry and Judy Rolston came from Cowden Lake Bible Church. And Pastors Brendan Holmquist and Jeff Dempsey came from Grove Bible Church along with Daniel Holmquist and Sarah Smith. What a blessing they were! Debbie Price also brought lunch for the whole crew.

Please pray that we will have wisdom about future scheduling. Dan's ministry these days has been largely over the phone. It is good to know that our Father was not taken by surprise and He is in charge of our lives. What a blessing to rest in Him. He has given us time to work on some things in this house as we wait on Him.

THE NEW ADDRESS:
