

"Preach the gospel, die and be forgotten."
— Count Zinzendorf

Dear friends and family,

We have been back in Poland for about a month after a wonderful summer in the USA. During that time, we visited a few of our supporting churches as well as helped Mikaela settle into her apartment and life as a college student. She is thriving and thoroughly enjoying herself as she works hard. Back in Poland we have also had a fruitful month of September - Maia and Aleyna changed schools this year, Maia beginning her first year of Polish high school and Aleyna in a private school closer to our apartment. Our family is experiencing a great deal of transition, but we have already experienced even deeper supplies of grace. PLEASE PRAY for our girls as they adjust to even more challenges in the Polish school system.

There is very much going on in the two church plants as well. Two Sundays ago, we had a glorious baptismal service in Łuków that was an encouragement to many. As you know, we have been preaching and calling for repentance to Christ in that town every week for 7 years with very little fruit seen. In the last 12 months God has miraculously opened the eyes of five people to see the glory of Jesus Christ in the gospel. They have repented of their sin and they desire to walk in obedience to the Lord. Pray for each of these newborn Christians - Ewa, Karolina, Agnieszka, Ela, and Janusz. Pray that they will grow in their knowledge of God and in holiness -- that God will give them a desire to share the gospel with family and friends and wisdom to speak clearly. Please pray that God will save their spouses, children, siblings and parents, many of whom came to watch them get baptized in spite of a lack of understanding. Please pray that God will work in the hearts of those who heard the good news, and even as we ask God to draw more people to Himself, we rejoice and celebrate His work in these five lives!

Thank you for faithfully partnering with us,
Ben (for Sarah, Mikaela, Maia and Aleyna)
