

Greetings again from Kevin and Lisa in Tucson Arizona. We have to start this letter saying thank you for your support of us in this life and ministry. Without the body of Christ alongside us, we would not be able to dedicate our life in this way to what God has called us to. Thank you very much for praying for us and for supporting us financially.

We continue to teach our online training to small groups of people in Spanish. It is a huge encouragement for us to be able to use technology in a way that still supports personal relationships in a small group setting. I have mentioned Oscar before, but he continues to be an encouragement to me in his faithfulness with us and his preparing the people of his local church. He is a pastor in Nogales Mexico with no formal ministry preparation until now. Without your support of us, we could not offer this training free of charge to people like Oscar and the people of his church, thank you so much.

We do have a significant area of difficulty in our lives these days, and would ask you to pray for us. In the past year and a half we have attended and have been working with a church that said they wanted to reach out more into the Hispanic community around them (80% where the church is located). We have extensively met with and talked with the leadership over this past year and a half, and it turns out that they do not really want to give effort to this kind of an outreach. This had been the very reason we attended this church so we are in the process of looking for another church where we can serve in the areas that God has called us to. Please pray for God's direction and confirmation as we seek to find that other place.

Lisa continues to teach Spanish at a small Christian high school near us and has individual bible studies with ladies both in English and Spanish. Our Wednesday night bible study in Spanish continues to go well. Pray that God would grow this effort as we seek out a new church.

If you are at all interested in participating in our ministry training for small groups, we have both an English and Spanish training course. You can find more information online in English at www.CBMatrix.org and in Spanish at www.RCM412.org . Also, please feel free to contact us either by phone, text, or email.

Again, we thank you so much for working with us in this ministry. We so appreciate your prayers and financial support.

In His Service,

Kevin and Lisa Lewis
