

We are thankful to the Father that He allows us to have a part in what He is doing in the world. And we are **THANKFUL FOR YOU** who are a vital part of this ministry. Without your prayers and support we cannot continue.

The Lord is in our lifetime using His servants to bring His Word to unreached people groups around the world at a record pace due to modern technology. As you pray for laborers many are going to the most difficult places on earth. Their sacrifice is to the praise of His glory and the salvation of multitudes who have never heard the message of the gospel.

Thank you to all who have a part. His body is working together in obedience to the Father.

Have a great Thanksgiving!
