

What part do you have in what the Lord is doing around the world? Let us tell you about these three families working among the Dem people in Indonesia. Melanie(Jared) Currie was a student at Grove Christian School where we worked part-time and Dan taught a missions course. Logan(Kendra) Teall was a student at a Christian school here in Saginaw and Dan hired him to help move a bathtub. They spent most of the time talking about missions. Jeremiah and Briana Stokes(no relation) were students at NTBI Jackson when Dan taught a module. Please pray for this team as they reach the unreached. YOU had a part in getting these to the field by supporting our ministry and PRAYING FOR LABORERS.

PLEASE continue to pray with us that the Lord will raise up more laborers. These are exciting days when we have tools that were unheard of when our first missionaries went to the field. The translation process, culture and language learning have all been improved through modern technology. The missing ingredient is the worker to use them.

PRAY with us for church leaders to attend the Wayumi leader's conference on the 22-24 of October. The local church is the vital link to challenging the new generation with the task of reaching the unreached. It is out of local churches that we find laborers. Our job is to assist the church in this mission.

Dan and Kathy Stokes for the unreached
