

AUTUMN 2019

But I do not account my life of any value nor as precious to myself, if only I may finish my course and ministry that I received from the Lord Jesus, to testify to the gospel of the grace of God. Acts 20:24

“These men who have turned the world upside down have come here also,” Acts 17:6b

Do you look for opportunities to change the world? No one ever says that is part of our job description. In our work of challenging people to world evangelization we realize that we are looking for opportunities to challenge people who are looking to change the world.

The people that we are looking for will never be the president or be a star of the NFL. They will be people who fit into God’s program of reaching the world.

In 1998 we participated in a missions conference at a church near Laingsburg, Michigan. We ate across the table from the Youth Pastor, Bryan Knight, and his little daughter, Amy. We enjoyed the opportunity to interact with them. Amy went with us to Bolivia in 2010. Later she went to Bible School and missionary training. She is now following the Lord’s direction to Papua New Guinea. She and her team will be those world changers who share the good news of Jesus where it has never gone. This kind of change is for eternity.

Please pray for opportunities to meet those people who want to give their lives to a cause that will last for eternity. Pray with us as we are setting up our schedule for 2020.

Please pray for BOLIVIA. As you may remember, we took a lot of teams there through the years. We are saddened at what is happening in protest of the recent election. Pray that this political crisis will be settled and there will continue to be freedom to share the gospel with the people groups of that country.
