

February 2020

News for the News

Did you know that a new toothbrush or deodorant can change a life? Every year in February, City Rescue Mission launches Operation Hope and Care for the Lenten Season as a way of replenishing the stock of personal hygiene items that are given out to guests when they arrive.

The Hope and Care Tote serves as an ice breaker when it is given as a gift to each guest who stays at the mission. It contains full-sized bottles of shampoo, conditioner, body wash, and shaving cream, as well as razors, a toothbrush, toothpaste, deodorant, lip balm, and travel-sized tissue. This gift communicates to each guest that he or she is valued by someone.

If you are interested in participating in Operation Hope and Care, please contact Jenny Deweese at volunteer@rescuesaginaw.org or at the number below to sign up to help. There are different ways to get involved: sign out a certain number of bags and return them filled, simply collect items in bins or boxes at your church or business and drop them off, or sign up to help with the sorting of all the bags at the mission. Thank you for considering this opportunity!

UPCOMING EVENTS

Operation Hope & Care: Feb. 10—Apr. 13
